## JULY THE MONTH OF THE PRECIOUS BLOOD

The month of July is dedicated to the Precious Blood. This feast was instituted in 1849 by Pius IX, but the devotion is as old as Christianity. The early Fathers say that the Church was born from the pierced side of Christ, and that the sacraments were brought forth through His Blood.

"The Precious Blood which we worship is the Blood which the Savior shed for us on Calvary and reassumed at His glorious Resurrection; it is the Blood which courses through the veins of His risen, glorified, living body at the right hand of God the Father in heaven; it is the Blood made present on our altars by the words of Consecration; it is the Blood which merited sanctifying grace for us and through it washes and beautifies our soul and inaugurates the beginning of eternal life in it."

The entire month falls within the liturgical season of Ordinary Time, which is represented by the liturgical color green. This symbol of hope is the color of the sprouting seed and arouses in the faithful the hope of reaping the eternal harvest of heaven, especially the hope of a glorious resurrection. It is used in the offices and Masses of Ordinary Time. The last portion of the liturgical year represents the time of our pilgrimage to heaven.

May the Precious Blood of Jesus sustain us as we journey to our true home, with Mary and the angels as our companions on the way.

- **Prayer Primer, Igniting A Fire Within** by Fr. Thomas Dubay S.M. A renowned writer on prayer and the spiritual life. It does take up many questions rarely answered adequately in the classroom or pulpit. Examples: Why pray? (be ready for some surprises) ... Why vocal prayer is important and yet should be limited ... What contemplation is and is not ... All these subjects, and more, are clearly and concisely explained for citizens of this 21st century.
