December- The Month of the Immaculate Conception

Nine months before the Feast of the Nativity of the Blessed Virgin Mary (8 September), the Church celebrates the Solemnity of her Immaculate Conception. The Feast was approved in 1476 by Pope Sixtus IV. It was extended to the universal Church by Pope Clement XI in 1708.

Acknowledging the belief held for centuries by the Fathers and Doctors of the Church, of councils and his predecessors, Pope Pius IX solemnly proclaimed the Dogma of the Immaculate Conception in 1854: "We declare, pronounce, and define that the doctrine which holds that the most Blessed Virgin Mary, in the first instance of her conception, by a singular grace and privilege granted by Almighty God, in view of the merits of Jesus Christ, the Savior of the human race, was preserved free from all stain of original sin" (*Ineffabilis Deus*, 1854)

This feast invites us to meditate on the virtue of purity. "Mary alone — 'our tainted nature's solitary boast'— never saw her soul's purity darkened with the dust of any stain, nor did she see in any part of her triumphal course toward heaven any sin or trace of worldliness. By a unique and singular privilege from God she was preserved from original sin from the first moment of her Immaculate Conception; by another privilege derived from the first, the Lord did not permit her ever to be stained even with those unavoidable failings of human weakness." — Luis M. Martinez
