OCTOBER- The Month of the Holy Rosary

October is designated by the Catholic Church as the "Month of the Rosary" because in this month the Church celebrates the Marian advocacy of "Our Lady of the Rosary" on Oct. 7. The feast of Our Lady of the Rosary, also celebrated as Our Lady of Victory or Victories, was established by Pope St. Pius V in 1571 to celebrate the miraculous victory of the Christian forces in the Battle of Lepanto on Oct. 7 of that year. Previous to the decisive battle, St. Pius V had requested all Western Christians to pray the rosary; thus he attributed the victory to the power of the Marian prayer rather than the power of ships and cannons. Two years before establishing the feast, in 1569, Pope St. Pius V officially approved the rosary in its present form with the papal bull *Consueverunt Romani Pontifices* ("The Roman Pontiffs are accustomed," the first words of the document). In a development from earlier methods of praying the rosary, the new version included the second half of the Hail Mary, as well as the "Glory Be" prayer at the end of each mystery. In *Consueverunt Romani Pontifices*, St. Pius V established the two essential elements of the rosary: vocal prayer and mental prayer. This fact has been highlighted by all Marian saints, especially Louis-Marie Grignion de Montfort (1673 – 1716). "Today, when dangers far greater than those of the ancient Turks threaten not only Christianity but all civilization, we are urged by our Blessed Mother to turn again to the Rosary for help. If men in sufficient numbers do this, and

at the same time carry out the other conditions that she has laid down, we have the greater reason for confidence that we will be delivered from our dangers." -- Mary in our Life by Fr. William G. Most
