February - The Month of The Holy Family

The month of February is dedicated to the Holy Family. The special devotion which proposes the Holy Family of Jesus, Mary, and Joseph as the model of virtue of all Christian households began in the 17th century. It started almost simultaneously in Canada and France: the Association of the Holy Family was founded in Montreal in 1663, and by the Daughters of the Holy Family in Paris in 1674. This devotion soon spread and in 1893 Leo XIII expressed his approval of a feast under this title and himself composed part of the Office. On account of the flight into Egypt this feast has been observed by the Copts from early times. The feast was welcomed by succeeding Pontiffs as an efficacious means for bringing home to the Christian people the example of the Holy Family at Nazareth, and by the restoration of the true spirit of family life, stemming, in some measure, the evils of present-day society. In

the words of His Holiness Pope Leo XIII, "Nothing truly can be more salutary or efficacious for Christian families to meditate upon than the example of this Holy Family, which embraces the perfection and completeness of all domestic virtues."
